

"NRA: Breezing Through the Windy City"

The National Rehabilitation Association is proud to present the 2012 NRA conference August 24th – 26th, 2012 at the [Hyatt Regency McCormick Place](#) in Chicago, Illinois.

As you know the National Rehabilitation Association Annual Conference not only provides exceptional training opportunities with continuing education credits, but it also gives busy professionals time for networking and reuniting with colleagues from across the country.

As an effort to get more professionals together, we encourage your University to consider hosting an Alumni Event at the 2012 NRA Conference. Your event will be advertised in the conference program.

There are three alumni event time options:

- Friday August 24th from 11:45 – 1:30 p.m.**
 - You could provide a lunch – during the “lunch on your own” time
- Friday August 24th 8:30 – 10:00 p.m.**
 - You could provide snacks and beverages following the President’s Reception
- Saturday August 25th from 11:15 – 1:30 p.m.**
 - You could provide a lunch – during the “lunch on your own” time

You may host these events in a Suite (make reservations independently through the hotel) or in a break out meeting room (NRA conference planners will schedule for you).

If you are interested in hosting an event please contact Gary Rainaldi at GRainaldi@SWCCCASE.org or (708) 502-2925. He can help you coordinate logistics, the conference program and food.
